Yacht Name	Official No.	Year Built	Date of modification	Propulsion power (kW) for each engine	Engine Type (inboard or outboard)
Length overall (m)	Breadth (m)	Depth (m)	Gross Tonnage	Net Tonnage	Yacht Builder and place of build
Hull material	Yacht's Owner (name and address)				

Note: * Length in accordance with the International Convention on Tonnage Measurement of Ships, 1969, Article 2(8).

Check the items with "X", mark and/or fill the blanks applicable and give details of the condition actually found. Mark N / A where the item is not applicable.

A HULL AND EQUIPMENT (Reg.5)			
The following items were examined as far as practicable and found in satisfactory condition:			
		Yes	No
1	Accommodation decks, casings and superstructures		
2	Watertight integrity		
3	Deck openings		
4	Doorways		
5	Skylights		
6	Side scuttles and windows		
7	Ventilators and exhausts		
8	Air pipes		
9	Sea Inlets and discharges		
10	Stability requirements		
11	Machinery and electrical installation		
12	Bilge Alarm		
13	Rigging of sailing yachts		
14	Masts and spars		
15	Running and standing rigging		
16	Sails		
17	Documentary evidence of dry docking at intervals not exceeding 36 months		

B FIRE-FIGHTING EQUIPMENT (Reg.6)			
The following items were examined and found in satisfactory condition:			
		Yes	No
18	Fire Extinguishers , Number: ; Type and location:		
19	Fixed fire extinguishing system (applicable for yachts of 15 m and over)		
20	Emergency escape breathing devices (EEBD) (applicable for yachts of 15 m and over), Number: Location:		
21	Fire Blanket / fire buckets		
22	Fireman's Axe (applicable for yachts of 15 m and over)		

C LIFE-SAVING APPLIANCES (Reg.7)			
The following items were examined and found in satisfactory condition:			
		Yes	No
23	Life rafts, number: ; Capacity: Last servicing date:		
24	Recovery of the persons at sea (an over side boarding ladder or scrambling net)		
25	Lifejackets, Number of adult lifejackets: Number of children's lifejackets:		
26	Lifebuoys, total number: Number of lifebuoys with light and smoke signals:		
27	Distress Signals, Number of parachute red signals: Number of hand flares: Number of smoke signals:		
28	Expiry dates:		
29	Line Throwing Appliances (applicable for yachts of 15 metres and over of category 1) Expiry date:		
30	General alarm (applicable for yachts of 15 m and over)		
31	Radar reflector (applicable for yachts of 15 m and over)		
32	Training or instruction manual		
33	Convention on the International Regulations for Preventing Collisions at Sea, 1972, as amended		
34	Life-saving signals and rescue methods		
35	First aid equipment		
36	Torch light		
37	Storm lantern		
38	Whistle		

39	Two black ball shapes		
40	International Medical Guide for Ships-latest edition		
41	Please insert total number of persons for which life-saving appliances are provided (compulsory entry):		

D	NAVIGATION EQUIPMENT (Reg.8)		
The following items were examined and found fully operable:		Yes	No
42	Magnetic compass		
43	Set of updated navigation charts for the area of their operation or (ECDIS)		
44	Barometer		
45	Radar reflector		
46	A radar installation, (applicable for yachts of 15 m and over)		
47	(G.P.S.), (applicable for yachts of 15 m and over)		
48	Echo sounder (applicable for yachts of 15 m and over)		
49	Binocular (applicable for yachts of category 1)		

E	RADIO COMMUNICATION EQUIPMENT (Reg.9)		
The following items were examined and found fully operable:		Yes	No
50	Sources of energy/ reserve source of energy		
51	Qualified radio personnel		
52	VHF with DSC radio installation		
53	MF radio installation		
54	MF/ HF radio installation		
55	SES providing RMSS		
56	NAVTEX receiver or EGC Receiver or HF NBDP		
57	Satellite EPIRB		
58	Ship Station License		
59	Please insert "x" when the radio equipment complies with the category/distance from a safe haven (compulsory entry):		
	Cat. 4 and 5, Up to 20 NM	Cat. 3, Up to 60 NM	Cat. 2, up to 150 NM
		Cat. 1, unlimited	

F	NAVIGATION LIGHTS, SHAPES AND SOUND SIGNALS (Reg.10)		
The following items were examined and found fully operable:		Yes	No
60	Compliance of navigation lights and shapes with the applicable provisions of COLREG,		
61	All navigation lights shall be provided with main and emergency power supply		
62	All navigation lights required shown whilst underway shall be duplicated		

G	PREVENTION OF POLLUTION AT SEA (Reg.11 and 16)		
The following valid documents are found on board:		Yes	No
63	ISPP Certificate (applicable for yachts certified to carry > 15 persons)		
64	Placards with garbage disposal requirements of MARPOL Annex V (applicable for yachts > 12 m)		
65	Garbage Management Plan and Garbage Record Book (applicable for yachts of 100 gt and more or certified to carry > 15 persons)		
66	EIAPP Certificate (engine installed after 01.01.2000 with output power of more than 130 kW.		

Remarks: (additional sheet(s) may be annexed to this report if necessary)

The following **compulsory** supporting documentation shall be submitted with this report:

1. A copy(ies) of liferaft servicing report(s);
